Contact your Business Office or Training Officer for more information**

THE MANAGEMENT TRAINING RULE

Who is covered?

Supervisors, managers and executives in state agencies. Does not include elected officials and institutions of higher learning.

What is Required?

Forty hours of training the first year. Sixteen hours of continuing development annually thereafter.

How does it happen?

Each department will establish procedures, implement and administer the guidelines for training personnel in the positions defined in the rule. These rules are outlined in D2-12.3 - Management Training.

What are the benefits?

Development is tailored to each job; Direct link between training and results; and Increased return on investment.

What programs?

Programs are based on the following 24 competencies:

Accountability	Integrity	Self Direction
Computer Literacy	Mediating	Strategic Thinking
Creative Thinking	Mentoring	Team Work
Customer Service	Negotiating	Technical Knowledge
Decisiveness	Political Awareness	Verbal Communication
Financial Management	Perceptiveness	Vision
Flexibility	Planning	Written Communication
Influencing	Problem-Solving	Workforce Management

A complete copy of the Management Training Rule (1CSR20-6.010) is available on the Office of Administration / Division of Personnel web page, <http://www.training.oa.mo.gov/comprule.htm>, or through the Training Academy.

MANAGEMENT COURSES

MANAGEMENT MANDATORY CORE REQUIREMENTS

Basic Supervision

MDOC Mandatory

Competencies: Workforce Management

In this session, participants gain new insights into developing effective managerial techniques. Topics covered include: the role of the manager; expectations; the four basic managerial skills (planning, organizing, directing and controlling); and work with your boss. Designed for managers who have not had previous training in management methods. A Management Rule Core Requirement. (16 Hours)

PERforM

MDOC Mandatory

Competencies: Workforce Management

This program is designed to introduce supervisors to Productivity, Excellence and Results for Missouri (PERforM), Missouri's employee performance planning and appraisal system. The program will discuss the three phases of the process: Performance Planning, Continuous Appraisal and Performance Appraisal. The section on Performance Planning focuses on the need for SMART (Specific, Measurable, Achievable, Realistic, Time-bound) performance objectives to define the job to be done. The portion on Continuous Appraisal emphasizes the importance of feedback and documentation. The Performance Appraisal section discusses how to develop the final appraisal using the documentation gathered during the Continuous Appraisal phase to rate progress toward performance objectives developed during the Performance Planning phase. A Management Rule Core Requirement. (16 Hours)

MANAGEMENT COURSES

Managing A Diverse Work Environment

MDOC Mandatory

Competencies: Workforce Management

This lesson is specifically designed to meet the needs of supervisors who are expected to address the implications of all types of diversity at their work place. The dynamics of communication, intervention and coaching are all examined in this program with suggestions for application in diversity situations. (8 Hours)

Supervising a Harassment Free Work Environment

MDOC Mandatory

Competencies: Workforce Management

This program is designed to educate management staff in the prevention, recognition, intervention and correction of harassment in the workplace. The focus is not only on “stamping out” harassment in the workplace, but also on developing a more professional staff member capable of making good decisions when faced with the tough issue of harassment. A Management Rule Core Requirement. (6 Hours)

MANAGEMENT COURSES

MANAGEMENT CONTINUING COMPETENCY BASED TRAINING REQUIREMENTS

Coaching for Success

Competencies: Accountability & Workforce Management

This training program will provide supervisors with the knowledge and skills to develop their staffs' potential. Emphasis will be on establishing your credibility by promoting trust and creating positive relationships with your staff to transform the work site into a dynamic, productive environment through the use of coaching techniques. (8 Hours)

Family Medical Leave Act (FMLA)

Competencies: Work Force Management

This lesson plan is designed to give supervisors and managers a basic overview of the Family Medical Leave Act (FMLA). It is intended to provide the necessary information to incorporate its purpose and benefits into the workplace and to ensure supervisors and managers correctly communicate and interpret the law to employees. (8 Hours)

Insights Basics

Competencies: Team Work & Workforce Management

Insights is a program designed to help you develop an understanding of yourself and how you are seen by others. Prior to the class, participants will be required to take a 25 question self-assessment test. The test can be taken in paper form or on-line. During the class you will be provided with your profile and an interpretation of the results. 'Insights' will help you recognize others' behavioral styles and learn how to communicate and respond more effectively to their needs. It will provide the opportunity to explore strategies for dealing with different or "difficult" people. Ultimately, the goal is to use the information to communicate better with co-workers and build teamwork through greater understanding and acceptance of each other. (8 Hours)

MANAGEMENT COURSES

Interviewing And Staff Selection

Competencies: Decisiveness & Technical Knowledge

This course is designed to raise the awareness of legal considerations that are present in the interviewing and staff selection process. It also prepares participants for their involvement in the process by explaining the steps involved and giving them opportunities to practice the skills necessary to be a successful interviewer. (8 Hours)

Managing a Multi-Generational Workforce

Competencies: Workforce Management

This program will provide participants with an opportunity to examine the motivational factors of the different generations that makeup today's workforce. Participants will explore the work habits and desires of each generation, discussing how to best meet them as a manager. (8 Hours)

Managing Workplace Conflict

Competencies: Accountability, Problem Solving & Workforce Management

Conflict management is not likely a supervisor's or manager's favorite task, but neither is conflict management likely to be avoided. Small disagreements in the workplace can easily become major problems, as each side to a dispute confirms its position. This workshop is designed to provide managers and supervisors with tools, skills, guidelines and considerations to assist in the management of conflict from the initial complaint to bringing both parties in to explore solutions. These tools and skills include mastering your emotions, stating the problem so as to avoid defensiveness, and appropriately and effectively holding people accountable without damaging morale and improving productivity. (8 Hours)

MANAGEMENT COURSES

Motivation

Competencies: Workforce Management

This course assists the manager in developing and maintaining a motivated environment by increasing awareness of employee needs. Objectives for this workshop include a review of motivation theories, an investigation of the manager's role in the motivation process and the preparation of a motivation action plan. To be presented in conjunction with *Coaching and Redirecting*. (8 Hours)

NIMS ICS 200

Competencies: Creative Thinking, Problem Solving, Decisiveness

The Incident Command System (ICS) for Single Resources and Initial Action Incidents is designed to enable personnel to operate efficiently during an incident or event within the ICS. (12 Hours)

NIMS ICS 300

Competencies: Creative Thinking, Problem Solving, Decisiveness

The Intermediate Incident Command System (CS) for Expanding Incidents provides training on resources for personnel who require advanced application of the ICS. This course expands on information covered in the ICS 100 and ICS 200 courses. (24 Hours)

NIMS ICS 400

Competencies: Creative Thinking, Problem Solving, Decisiveness

The Advanced Incident Command System (ICS), Command and General Staff—Complex Incidents provides training on and resources for personnel who require advanced application of the ICS. (16 Hours)

MANAGEMENT COURSES

NIMS IS 800

Competencies: Creative Thinking, Problem Solving, Decisiveness

The National Response Plan describes how the federal government will work in concert with state, local, and tribal governments and the private sector to respond to disasters. (4 Hours)

Supervisory Liability

Competencies: Accountability & Technical Knowledge

This workshop provides a basic understanding of the liability inherent in your job as a manager and emphasizes managing the workforce responsibility in order to minimize legal difficulties. Topics included are: the EEOC; popular lawsuits and why they are popular; civil liabilities; employment liabilities; vicarious liabilities; defenses against litigation; assumption of risk and contributory negligence; and internal paperwork vs. litigation. (8 Hours)

Team Building

Competencies: Team Work & Workforce Management

An effective team leader must keep a diverse group of people working together effectively as a team. This program outlines the stages of team development and covers the skills necessary to unite a team, set goals, identify team members' personalities, motivate team members, and understand group dynamics. (16 Hours)
